PROFESSIONAL SUMMARY

Motivated Information Technology student currently pursuing a Higher National Diploma in Information Technology at the Sri Lanka Institute of Advanced Technological Education (SLIATE). Possess knowledge of software development, web technologies, databases, software engineering, and quality assurance. Experienced in developing academic projects using Java, JavaScript, PHP, MySQL, HTML, and CSS. A quick learner with strong problem-solving, teamwork, communication, and analytical skills, seeking an IT internship opportunity to gain practical industry experience and contribute to a professional organization.

EDUCATION

Sri Lanka Institute of Advanced Technological Education (SLIATE)
2024 – Present
Dehiwala, Sri Lanaka

Higher National Diploma in Information Technology (HNDIT)

Relevant Coursework:

- Database Management Systems
- Web Development
- Object-Oriented Programming
- Software Engineering
- Software Quality Assurance
- IT Project Management
- Machine Learning

The Beeline Campus | 2023
2023
Galle, SriLanka

Advanced Diploma in English
Awarding Body: SDFL – Ministry of Education

G.C.E. Advanced Level Examination – Mathematics Stream

G/Dharmasoka College, Ambalangoda | 2022

G.C.E. Ordinary Level Examination

G/Dharmasoka College, Ambalangoda |2018

TECHNICAL SKILLS

Programming Languages: Java, JavaScript, C++

Web Technologies: HTML, CSS, PHP

Database: MySQL

Development Tools: Apache NetBeans, Arduino

Other Areas: Software Engineering, Software Quality Assurance, IoT

PROJECTS

Cafe Management System

Technologies: Java, MySQL, Apache NetBeans

- Developed a cafe management system as an academic project.
- Used Java for application development and MySQL for database management.
- Applied object-oriented programming and database concepts during development.

Smart Dustbin System – IoT-Based Waste Management

Technologies: NodeMCU ESP8266, Arduino, PHP, MySQL, JavaScript

- Developed an IoT-based waste management system to monitor garbage levels.
- Used ultrasonic sensors to detect the garbage level inside the dustbin.
- Implemented real-time monitoring through a web dashboard.
- Developed alerts to support efficient waste management.

Personal Portfolio Website

Technologies: HTML, CSS, JavaScript

- Designed and built a personal portfolio website to showcase academic projects, skills, and contact details.
- Developed a responsive layout and deployed the site using GitHub Pages.
- Live at: navodya-desilva.github.io

SOFT SKILLS

- Analytical Thinking
- Problem Solving
- Team Collaboration
- Effective Communication
- Quick Learning
- Time Management

LANGUAGES

Sinhala: Native

English: Professional Working Proficiency
